Stainless steel Industrial Footwear Storage Cabinets

ISCA's shoe storage cabinets are an industrial, robust footwear storage solution. They are made entirely of stainless steel with built in debris grilles and collection trays. The cabinet comes in a range of sizes to suit different establishments. The construction of the shoe storage cabinet ensures easy and hygienic storage of shoes, and has been designed with ease of cleaning in mind. In addition the sloping roof ensures easy cleaning and prevents unwanted items being placed on top of the cabinet.
